On otsustanud, et lisan oma ERD-le uus kaart - Review.

See võimaldab kasutajal anda oma hinnangu, lisada kommentaare ja näha teiste arvustusi.

Kolm kaarti, mida mina defineerisin:

1. As a user, I am able to leave a review and rating (1-5) on a product.
2. As a user, I am able to view reviews on a product page
3. As a user, I am able to delete my own review
4. As a user, I am able to edit my review on a product.
5. As a user, I am able to see the average product rating.
6. As an admin, I am able to delete any review
